TENNESSEE'S AVIATION HALL OF FAME

The Tennessee Aviation Hall of Fame was established to recognize, honor and enshrine individuals whose leadership in or for aviation, whether by exceptional service or extraordinary achievement has made an enduring contribution to aviation for Tennessee, our nation or the world.

Established in 2001 as Tennessee's Official Aviation Hall of Fame by the 102nd General Assembly, those honored are recipients of Tennessee's highest honor in aviation and aerospace.

This institution will record these achievements or service and perpetuate the memory of those enshrined for all time.

THE NOMINATION PROCESS:

Eligibility for induction into the Tennessee Aviation Hall of Fame is based entirely upon the nominee's significant and lasting accomplishments or service to or for aviation and/or aerospace for Tennessee, our nation, or the world.

The Nominator may be requested to appear before the Board in support of this nomination.

The nominee's service or achievement must have been made from Tennessee or by a Tennessean, living or deceased. The nominee does not have to be a native Tennessean if the nominee's service or achievement was made from within Tennessee. The nominee must be a native Tennessean if the nominee's service or achievement was made outside the borders of the State of Tennessee.

The Tennessee Aviation Hall of Fame Board of Directors will select honorees once each year. Those chosen for induction will be enshrined at a formal ceremony held annually. All nominations remain perpetually active until formally acted upon (selected or declined) by the Board of Directors. Nominators will be notified when any formal action has been taken by the Board of Directors.
